CIRCULAR TO ALL CUSTOMERS

Dear Valued Customer,

CESSATION OF FREE DELIVERY VIA PRONTO COURIER SERVICE

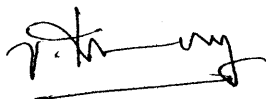

We regret very much that as of the 1st of August, 2009, we will have to charge for all parcels delivered by courier, irrespective of the invoice value. We have been forced to do this since charges levied by the courier company have been increased by them to an extent that we cannot continue to absorb the current charges.

However DAYTONA customers will receive a highly subsidized rate as you will see from the attached charges schedule.

Please do not hesitate to contact us for any further clarification.

Thank you.

Yours truly,
DAYTONA LIMITED
